Awesome DJ and great service, we have had Liam DJ at our work xmas party two years in a row and he doesn't disappoint. A good variety of tunes and some old classics but in my opinion the best part of Liam's repertoire is his range of hip hop old and new school. Would highly recommend!

Jan helped us out with some music at a function we were hosting for some of our clients. Extremely professional and a great choice of music. We wanted some nice background ambience but it was so good everyone started to notice the music. Jan is obviously a pretty talented guy in this field
